LA CAUSERIE NEWS

Board Assistant

The Board Assistant's job is huge and vital! It involves setting up classrooms with ample tables and chairs on Fridays, setting up the social room, taking everything down after classes, answering and trouble shooting issues that come up during the week and on Fridays, acting as a liaison with the church, responding to questions you send to the LaCauserie Site and much more. Robynn Nevins has filled this position. We wanted to let you know that she has turned in her resignation because of a wonderful full time teaching opportunity. We are sorry to see her leave, yet happy for her and her family. Amanda Hassett, our Board Assistant prior to Robynn, will be taking over that position immediately. Welcome, Amanda!

Fall Business Meeting

We will have our annual fall business meeting at noon on November 3 . The meeting is open to all La Causerie members and everyone is encouraged to attend.

Parking

You probably will have an easier time finding parking spots as time goes on. Thank you for leaving spaces open in the parking lot adjacent to the entrance so that those who have a difficult time walking can use them. Thanks also, for avoiding parking in the strip of spaces by the shops. The parking lot behind the church is open as are the spaces in the lot along Brookside Blvd.

Snack Sign-Up

Enjoy the weekly coffee and snacks? Please remember that members donate these items. If you are interested in volunteering snacks, there is a sign up sheet for Friday mornings in the Social Room. You will not be expected to provide snacks for the whole school, as three or four other members will contribute too. La Causerie provides the coffee and tea and we ask for donations to help cover the beverage costs, which are not allotted in the La Causerie budget. All contributions are appreciated.
