This year is an experimental year for La Causerie. We have added days, expanded the class offerings, and we have had to ask you to make accommodations by walking to the third floor while the elevator* is being replaced. Thank you for working with us during this period!

With all these changes we know you may have comments, concerns, questions and compliments. **We would like to hear from you!** Your honest input will help us as we fine tune our program for the remainder of the year and for next year.

Please contact us at: www.lacauserie.us . Click the menu tab that says "Contact Us".

* We anticipate the elevator will be in operation by Jan. 2019"
